

Masha didn't have seven cents to buy an ABC book, and Misha didn't have one cent. They put together to buy one ABC book for two, but still there was not enough money. How much did the ABC book cost?

ABC book 8
Masha 1cent
Misha 7cent
 $1+7 \geq 8$

ABC book 9
Masha 2cent
Misha 8cent
 $2+8 > 9$

ABC book 7
Masha 0cent
Misha 6cent
 $0+6 < 7$

answer 7
