

## Отрисовка массива (циклом *while*)

```
var i=0;
while (i<x.length)
{
    document.write (x[i] + " ");
    i++;
}
document.write("<br>");
function paint_mass(mass)
{
    var i=0;
    while (i<mass.length)
    {
        document.write (mass[i] + " ");
        i++;
    }
    document.write("<br>");
}
paint_mass(x);
```
