

Проверить, все ли элементы массива равны между собой в результате `printf("YES");` или `printf("NO");`

2	2	2	2	2	2	2
---	---	---	---	---	---	---

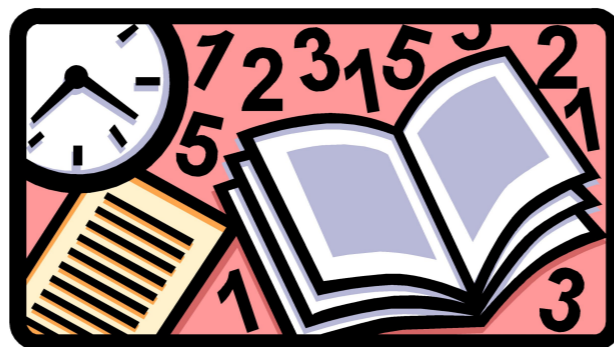

yes

5	5	5	5	5	5	5
---	---	---	---	---	---	---

yes

5	5	5	7	5	5	5
---	---	---	---	---	---	---

no

```
function find_same (x)
{
    var status=0;
    for (var i=0;i<x.length;i++)
    {
        if (x[0]!=x[i])
        {
            status=1;
            break;
        }
    }
    if (status==0)
    {
        document.write ("da");
    }
    else
    {
        document.write ("net");
    }
}
find_same (mass);
```

```
function find_same2 (x)
{
    var status=0;
    for (var i=0;i<x.length-1;i++)
    {
        if (x[i]!=x[i+1])
        {
            status=1;
            break;
        }
    }
    if (status==0)
    {
        document.write ("da");
    }
    else
    {
        document.write ("net");
    }
}
find_same2 (mass);
```

```
function find_same3 (x)
{
    var status=0;
    for (var i=1;i<x.length;i++)
    {
        if (x[i]!=x[i-1])
        {
            status=1;
            break;
        }
    }
    if (status==0)
    {
        document.write ("da");
    }
    else
    {
